## EQUITANA 2008

20 - 23 November

Well Melbourne certainly turned on the spring rain for all of us at Equitana with 60mm of rain falling on the Saturday alone. Even though it was extremely wet, cold and windy there was still a fair turnout and it just goes to show you can't put a horse enthusiast off just because of bad weather.

The Australian Quarter Pony Association held a stall at the Breeders Village which is a new addition to the Equitana Event, and also managed to launch a new look logo and t-shirt and hat to go with it. With limited space and volunteers it was amazing how it all came together in the end.

Leanne Prime of Charlotte Plains Stud lent her Quarter Pony filly "Smoakin Hot Bootie" (Tilly) as an example of the breed.

Emma McKee of Primary Colours Stud did a fantastic job of show prepping Tilly and she looked fantastic despite the poor weather conditions. The AQPA did a number of breed demonstrations and also took part in the breed parade taken throughout the showground.

Tilly was so well behaved she was used as a demonstration pony in two clinics.

One with Dr Ian Bidstrup and the other with Maureen Rogers. What a fantastic ambassador for the breed.

The volunteers on the stand answered many questions, handed out information on the breed requirements, standards and forms and garnered a lot of interest from a variety of people.

We are now hoping to go forward in this New Year with great expectations of things to come and a lot more volunteers to be able to get shows and demonstrations of the Quarter Pony breed throughout Australia. The more time taken by each individual to promote this fantastic breed the more it will become well known and hopefully a part of every family's lives.
